Getting Started

Print this planner or open it in a PDF app (GoodNotes, Notability, Xodo) and fill it in on screen. Start with the overview pages, then use the trackers daily or weekly.

Annual Reading Goals (p.2)

Set your yearly target and break it into quarters. Start here before you read anything.

Reading Habit Tracker (p.3)

Color in each day you read. See your streaks build over the year.

Books I've Read Log (p.4)

Log every book with format, dates, and rating. Print more copies as needed.

TBR Triage (p.5)

Sort your to-read pile by priority instead of letting it grow forever.

Quick Book Review (p.6)

Capture your thoughts before you forget them. Print more copies as you finish books.

DNF Log (p.7)

Books you stopped. No guilt. Track why so you pick better next time.

Library + Series (p.8-9)

Never forget a due date or where you left off in a series.

Monthly Recap (p.10)

Step back and see patterns in your reading. Print one per month.

Stats + Favorites (p.11-12)

Your reading life at a glance.

Wishlist + Notes (p.13-14)

Books to buy, books to gift, and space for anything else.
